Good afternoon, Mr. Valenzuela,

The document you handed to the Board of Trustees members at the August 5 meeting has now been included in the Township's Board Packet under the Consent Agenda with the title, "Received and Filed – Communications Regarding Data Processing Centers and Project Flex."

Best regards,

April Talaga

Lyon Twp. Deputy Clerk

Subject: Request to File and Distribute Project Flex Correspondence

Dear Lyon Township Clerk's Office:

At the August 5, 2026 Board of Trustees meeting, I requested that the attached document, titled "**Formal Request for Immediate Disclosure, Disqualification Review, and Record Preservation**," be made part of the official Township record concerning Project Flex.

A member of the Board advised me that the Clerk's Office is responsible for handling such requests. Accordingly, please:

1. Retain the attached document as official Township correspondence concerning Project Flex;
2. Include it in the official meeting file or correspondence record associated with the August 5, 2026 Board of Trustees meeting;
3. Distribute it to all members of the Board of Trustees and Planning Commission; and
4. Include it in any appropriate Project Flex administrative file, correspondence log, or future meeting packet in accordance with Township procedures.

Please confirm receipt and advise how the document will be recorded, where it will be maintained, and whether it will be publicly accessible through the Township's meeting records or document system.

If the document cannot be added to the August 5 meeting file under Township procedures, please include it as official correspondence for the next Board of Trustees and Planning Commission meetings at which Project Flex is considered.

Thank you for your assistance.

Sincerely,

John Valenzuela

Lyon Township Resident
